

THE IF A TOILET IN THE WHITE HOUSE COULD TALK GATE

KLEENEX

So what  
If we cry  
In church.  
1. We're in  
The Money.  
2. We Got  
THE HANDLE.  
3. We Got  
The Media  
It Takes  
To Make  
A Prophet.

4. Atheists believe in foxholes they say.  
They Hate people. Like abortion. Don't pray.  
Won't *pretend to be dead every* sunday.  
Won't *contend to be death on sat* urday.  
Won't *scythe a field with perfect* flay.  
Find *the Dark Peasant's role a* bore.  
Avoid **acceptable form to the** core.  
Won't: **Feign working fields any** more:  
Whip **polite white balls: Scream:** Fore!  
Skin! **We detest their whore,** no war.  
Let a cruel million shots **take their** toll.

We can look that guy right in the eye. A few **heads ripped** off might be war's  
Goal but we shall continue to extend a personal **hard firm** Golf fearing effort  
On a roll until we reach our deepest-seated personal **destiny.** In Golf head we trust.  
The dream team as a whole clings to ball control down **to the** last lean mean asshole.

Stars shine bright on shatter light! Deep in back of that is star wrack! Would I lie to you? Trust me. In back of all that a slightly deep  
Odoriferous fact: Dead stars flat on their back squeak on a vacant rack: Thee.The.That's "Look Ma! I AM the bottom line!" folks.
