

THE TRANSFORMATION OF BUSINESS IS LOUSY INTO BUSINESS IS GREAT GATE

Business is lousy. Our Paper Towel Division folded. Our Radio Manufacturing Division had to appoint a receiver. Our Airline Division never got off the ground. Our Clock Manufacturing Division got itself all wound up. Our Glue Syndicate came unstuck. Our Digital Upholsterers just never covered their costs. Our Paint Thinner Division just diluted its stock into insolvency. Our Theme Park Division lost its funding. Our Bowling Alley Division was hit by strikes. Our Upscale Diaper Company is down the toilet. Our Fried Electric Eel Division was a flash in the pan. Our Baked Apple Pie Division gave rise to too much turnover. Our Hard Disc Division crashed. Our Brewery Division is ailing. Our Armed Forces Catering Division is a total mess. Our Magic Digestion Division's downfall is coming back up to haunt us. Our Mail Equipment Division's management team was sacked. Our Brake Company Division is on the skids. Our Rhythm and Blues Recording Division is defunct. Our Industrial Cleaners Division is washed up. Our Teakwood Balloon Fleet has been brought down by high massive inflation. Our Intelligent Sewer Division was strangled by a slimy brain drain. Our Loudspeaker Division was forced to shut up. Our Bridge Contractors Division collapsed. Our Surgical Division was forced to take a cut in profits. Our Funerary Services Division got too boxed in. Our Baking Division fell short of dough. Our Refrigeration Division had its assets frozen. Our Corset Company is feeling the squeeze. Our Carpet Division was hit by the new unseen underlying tax. Our Ultimate Pig Food Division is in arrears. Our Fly Paper Division is in a sticky situation. Our Shoe Manufacturers are feeling a slight pinch. Our Compass Company lost its way. Our Pool Equipment Division took a dive. Our Cat Food Division has gone to the dogs. Our Tennis Ball Division's fate is at the mercy of the courts. Our Brick Works is up against the wall. Our Food Preservation Consortium got out of a big jam but it's in a little pickle. Barring these statistically irrelevant setbacks business is great. Stars shine bright on shatter light toil singing: Business up here in glass tower heaven is truly great. Down there on slug it out earth it's lousy. Thee. The. The. That's could it ever be any different even up side down, or side-ways slid in the moder | in miracle of re-re-verse mirroring motivati | onal statistics, folks?
