

THE TRANSFORMATION OF OUR TOWN INTO A BLACK SANDWICH GATE

tonight our town is just like every other town★just maybe a little darker kind of★and a little smaller sort of★and a little quieter almost★and a little leafier than most★i guess★most of the time★we like it here★it's a fairly good little town all the way from doctor jack's little gray suicide room into police chief capon's little brick office over the maplewood country club's fence to keep the jews out★not too much will happen this day★the police will probably arrest jack twist★again★for struggling to pass two sixteen dollar bills★mary deviotki will strangle himself hanging out of her cross dress overalls★laurance colon will shoot his friend al dente★in the groin when they practice shooting beer cans off each others' head★abraham lesbian will be arrested for molesting happy hungubsky the crack mountain high football coach★the green family will spend six careful hours unrolling three double ply toilet paper rolls and get six rolls of single ply toilet paper out of it★fay sudden will drown when her armpit hair gets caught in the drain at the bottom of swansong pool★the town meeting will refuse to allow the return of black beauty to be read in schools as it has a racist title★sphincter pullers incorporated will show a training film of injuries possible on the job and twelve people will be injured★and two will die★in the rush to get out of the factory★and quit working there★mother of eight slicie scrotum will slip in her bathtub★and become a wealthy welfare invalid★phallin buttock the meat packer will put through the town meeting a two hundred dollar fine for anyone exploding a nuclear device within the town line★a bus carrying three people will crash and when officer brannew arrives eighteen people will be lying in the street complaining of injuries★the town meeting will turn down a two thousand dollar request for first grade reading material★but will vote two million dollars to repair parking meters★gas station owner ralph pfeecal will refuse to let go of his chocolate bars when held up by jose urine★and the bipolar criminal will phone the police in manic rage★and officer john retention will have to come and arrest him again★penise grabbé will escape from state prison to go with her boy friend random dipper to his trial for extortion★penise will be arrested when random asks that penise be paged by the county clerk when ever he feels penise spending quality time going out to the toilet★our town is just like every other town★well★maybe it's dead here★let's call it lots of peace and quiet★let us all go to church this sunday as we'll all go one day★to death trance★thanking god for doctor jack's little gray suicide room★to the★stars shine bright on shatter light★we do it all★we do it right★we do it in fright with★all our might★thee★the★that's eating the black sandwich is just a small dark bite★this side of picking up the pieces★folks★
