THE TRANSFORMATION OF A PHONY
OLD FASHIONED BLACK BAG HOUSE CALL
DOCTOR INTO AN AUTHENTIC MEDICAL
RESEARCH BREAK TH ROUGH GENIUS GATE
I am not a doctor of the state of the st poor, and pretending I was good in order to set an example for other people but now I spend all my time saying things like: Slowboat, Blood and Luvtunnel report that hypertension, sedentary life style, and family history may be associated with heart disorder ching Needle, Dick, and Ah report drug use, dirty needles, dirty blood supplies and promiscuous sex and family history may be associated with AIDS disorder ching Onion, Gasshouse, and Beano report smoking and air pollutants and family history may be associated with lung disorder *ching* Hard, Lard, Pube, and Lube report high fat diet and family history may be associated with gastrointestinal disorder *ching* Mold, Lichen and Gorgonzola report dirty swimming pools, toilet seats, and family history may be associated with athlete's foot disorder *ching* Manuré, Slurry, and Slough report filthy lover's and family history may be associated with crotch rot disorder *ching* Playground and Fakejoi report grammar school may be associated with pin and ring worm and sliced heart disorder *ching* Flour, Grub and Worm *ching* report kneading dough and family history may be associated with yeast 'Patamaze, Multipoze, and Perplex report stress and family history may be associated with schizophrenic disorder ching Dinner, Kluts, Denigrate, and Putdown report stress and family history may be associated with neurosis disorder *ching* Hereon, Erehwon and Welterhine report stress and family history may be associated with disassociative disorder *ching* Choakum, Croakum and Munchum report stress and family history may be associated with sociopathic disorder ching Perfumeye, Smellear, and Toetaste report stress and family history may be associated with hallucinatory disorder ching Murtherer and Manywile report maltreatment may be associated with Bench, Court, and Bar's disorder ching Mann, Welt, and Schmertz report sorrow may be associated with early disorder ching Blewit reports suicide may be associated with death disorder ching Advanceman, Foot, Indoor, and Skim report aggressive treatment marketing ching manipulation of loved ones' compassion *ching* false high range test results *ching* unnecessary operations *ching* delusional income expectancy *ching* and high operating room turnover *ching* may be associated with increased income *ching* my kidneys report they may be associated with small black and green circles ching my stomach reports ching it may be associated with an ovoid portrait of George Washington ching my buttocks report they may be associated with a pyramid on the left side *ching* on the sands of Novusordoseclorum *ching* with an eye on top *ching* a strange eagle in a bar cast on the right side *ching* my back reports *ching* it may be associated with a big ONE *ching* my forehead reports it may be associated with the letters FEDERALRESERVENOTE ching my shoulders report ching they may be associated with gizmo encased 1's ching my elbows report ching that they may be associated with doodad encased 1's ching the engravings on my toe nails ching report that they may be associated with the letters ONEDOLLAR ching my right knee may be associated with the letters ONEDOLLAR ching my left knee may be associated with the letters & horit & Rubin ching my appendix scar and my left eyebrow report they may be associated with the alphanumerical series L07413148 ching my skin reports ching it may be associated ching with absurd green and gray curlicues ching all over ching ching my edges ching I report ching as incredibly difficult as it may be associated thing with about great an gray current. Ching an over thing my edges ching I report ching as incredibly difficult as it may be for you to believe ching a major modern ching miracle breakthrough in medical research ching I am become ching not just an authentic doctor ching but the very first to be associated with ching money ching ching ching chuh ch

Stars shine bright on shatter light and burying all bright fire fright go out and get it all day and all night. Thee. The. That's they went into the jungle when they were an idea and when they came out they took a good look around and screamed and went right back in for more and when they came out again it still wasn't enough, folks.
