butt enhanced and I try as hard as possible to say nice things and yes-to-death as I try to
work under as many wealthy Doctors as possible but I sense aches in my pelvis when

strange green curtains rolled around my lungs and my stomach turned into a red can and I sensed armies of mother suckers
within me and, yummy, I turned into a starched white cotton wedding cake shaped nursing home for poor little major maternal
control issued over sensitive income exploited doctors. Stars shine bright on shatter light. Let's all try to be kind to a doctor tonight.
Thee. The. The. That's isn't it yummy that every time a doctor is born there's a mother to tell it to make money for her, folks?
